New skateramp opens in Shere – the long awaited speed ramp on Shere Recreation Ground is now open and being enjoyed by our local youngsters. This facility is aimed at the 8+ age-group and it is already proving very popular. The ramp is for use by BMX bikes, stunt scooters, inline skates and skateboards. Anything else is either dangerous, or will damage the surface (it's a good idea to read the rules on the side of the ramp before using it). An official opening event/display is being planned for early Summer.
