Full and Listed building consent : Interior renovations to kitchen and upstairs bedroom/bathroom, linking and conversion of existing outbuilding. Proposed porch to side and changes to fenestration – **Objection for the following reasons:**

- **Although only a small extension it blurs the division between the cottage and its timber framed / clad outbuilding and harmful to the character of the Area of Outstanding Natural Beauty**
- **The replacement of the timber cladding on the outbuilding with larger windows will obscure the original function of the outbuilding and be harmful both to its character and that of the main cottage and therefore harmful to the character of the listed building**

Conversion of 2no. one bedroom flats into 1no. three bedroom detached dwelling, erection of a single storey rear extension and roof terrace, provision of weatherboard cladding and associated alterations following demolition of existing single storey rear extension – **Objection, disproportionate cumulative increase. Large windows also harmful to the openness of the Green Belt.**
