18/P/02409 Land adjacent to Tillingbourne Cottage, Gomshall Lane, Shere

Erection of a single dwelling and garage on land adjacent to Tillingbourne Cottage, Shere following demolition and partial demolition of existing buildings - **Objection for the following reasons:**

- **This is a too large, inappropriate development in the Green Belt. The Parish Council does not see this as limited infilling given the distance between Tillingbourne Cottage and Red Cottage, nor is it within the village envelope. The bulk would be harmful to the character of the Conservation area and the street scene**
- **The bulk and height of the facade is out of scale to the properties either side and is detrimental to the street scape. It needs to echo the properties either side, not dominate it**
- **A 3rd storey is not appropriate. A two storey building would be far more acceptable - with associated reduction in ridge line height.**
