**Tender – Grass Cutting and Parish Maintenance Contract (larger projects)**

Shere Parish Council has a duty to seek tenders once every three years for work carried out on a regular basis in the Parish. Anyone willing to quote for the following contract should submit a quotation to the Parish Council at the above address ensuring that the conditions stated in paragraph three of this document are adhered to.

All applicants must be able to produce public liability insurance documentation for the sum of £10 million pounds and also agree to undertake all work in accordance with Shere Parish Council's Health and Safety policy (a copy of which will be issued upon acceptance of tender or upon request). Submission of a risk assessment will also be necessary prior to commencement of the contract.

**Closing date for this tender is 12 Noon on 22 March 2019.** These must be sent to the above address in a sealed envelope with the words 'Grass cutting and Parish Maintenance (larger projects) tender' printed in the top left hand corner of the envelope. The names and addresses of two referees should also be submitted with the quotation unless the tenderer has previously undertaken work for Shere Parish Council. However, please note the following which is an extract from the Parish Council's standing orders:

- Canvassing councillors or the members of a committee or sub-committee, directly or indirectly, for appointment to or by the Council shall disqualify the candidate from such an appointment.
- A councillor or a member of a committee or sub-committee shall not attempt to persuade the Council to vote in a person for appointment to or by the Council or to persuade the Council to vote in favour of a person for such appointment or for promotion; but, nevertheless, any such person may give a written testimonial of a candidate's ability, experience or character for submission to the Council with an application for appointment.
- This standing order shall apply to tenders as if the person making the tender were a candidate for an appointment.

**Schedule of work required – please detail out the cost per cut for each individual area**

**Grass Cutting fortnightly during the growing season from Mid-March. All areas should be inspected fortnightly and if cutting is not required and would cause damage to the grass due to the weather, please inform the Parish office. **Certain areas within the parish should be treated more sensitively than others (highlighted in red) with particular attention to ensure the cut is even and the area left neat and tidy.****
